

Q8 | SQ8

Audi Q8 and SQ8 Australian Specifications

	Q8 55 TFSI quattro	Q8 50 TDI quattro	SQ8 TDI quattro
Technical data			
Engine type	6 cylinder petrol engine with direct fuel injection system, turbocharging and 48V Mild Hybrid Electric Vehicle technology (MHEV)	6 cylinder diesel engine with common rail injection system, turbocharging and 48V Mild Hybrid Electric Vehicle technology (MHEV)	8 cylinder diesel engine with common rail injection, twin-turbocharging with an electrically driven power compressor
Capacity (cc)	2,995	2,967	3,956
Power (kW/rpm)	250 / 5,500	210 / 3500 - 4000	320 / 3750 - 4750
Torque (Nm/rpm)	500 / 2,900 – 5,300	600 / 2250 - 3250	900 / 1250 - 3250
Driveline	quattro	quattro	quattro
Transmission	8-speed tiptronic	8 speed tiptronic	8 speed tiptronic
Start-Stop system	●	●	●
Acceleration (sec) 0-100km/h	5.9	6.3	4.8
Weight			
▶ Unladen weight in kg (includes 75kg for driver and luggage) ¹	2,185	2,220	2,440
▶ Maximum towing weight (braked) in kg	3,500	3,500	3,500
▶ Maximum ball weight in kg	350	350	350
▶ Maximum gross combined weight in kg	6,315^	6,400^	6,600^
Fuel consumption (combined)			
▶ Litres per 100km*	9.2	6.9	7.8
▶ CO ₂ emissions grams per km*	210	181	205
Safety			
Front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear	●	●	●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing	●	●	●
Audi pre-sense basic with pre-sense rear	●	●	●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist	●	●	●
Tyre pressure loss indicator – visual and acoustic warning in the event of pressure loss	●	●	—
Tyre pressure monitoring system - status of air pressure and temperatures tyres are displayed in the MMI system	—	—	●
First aid kit and warning triangle	●	●	●
Seatbelt reminders for all passengers	●	●	●

● = Standard | * = Optional equipment, Manufacturers List Price shown | — = Not available | NCO = No cost option

* Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 21 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options, including LCT. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. **MRLP set out in this document are recommended prices only and there is no obligation to comply with the recommendation.**

^ Maximum gross combined weight must not exceed 6,315 kg.

Standard Equipment and Options

	Option Code	Q8 55 TFSI quattro	Q8 50 TDI quattro	SQ8 TDI quattro
Assistance systems				
Adaptive drive assist including adaptive cruise control with Stop&Go, distance indicator, traffic jam assist and lane guidance assist ²		●	●	●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration ²		●	●	●
Audi parking system plus front and rear with visual display		●	●	●
Audi pre-sense front with Autonomous Emergency Braking (AEB) – provides collision mitigation up to 85 km/h (pedestrians) and up to 250 km/h (vehicles) ²		●	●	●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected ²		●	●	●
Audi side assist – blind spot warning system ²		●	●	●
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring ²		●	●	●
Audi parking aid plus with front and rear sensors ²		●	●	●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads; operates at up to 30 km/h ²		●	●	●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ²		●	●	●
Exit warning system – detects cars and cyclists when opening doors ²		●	●	●
Predictive efficiency assistant ²		●	●	●
Provision for trailer towing hitch		●	●	●
Turn assist – monitors oncoming traffic when turning right at low speeds ²		●	●	●
Exterior features				
Audi exclusive titanium black exterior styling package – adds black highlights around the Audi Singleframe, the trim strips on the side windows and the front and rear bumpers. Includes exterior mirror caps in high-gloss black	PAH	\$1,850*	\$1,850*	\$1,850*
S line exterior package – S line front and rear bumpers with honeycomb inserts, Singleframe mask in platinum grey, matt, S line side air inlet grilles in matt titanium black, S line diffuser in matt titanium black, S line side sill trims and S line emblem on the front fenders		●	●	—
S body styling including S front and rear bumpers, grille, side sills and rear tailgate spoiler		—	—	●
Exterior mirrors in aluminium look		—	—	●
Electric rear tailgate with gesture control and programmable opening height		●	●	●
LED headlights - full LED headlights with daytime running lights, dipped beam, high beam, position light, indicator, all-weather light and automatic-dynamic headlight range control		●	●	—
Audi HD Matrix LED headlights with front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, static cornering light, synthetic cornering light as part of high-beam assist and automatic-dynamic headlight range control. This also features an innovative and unique lighting design that is demonstrated in the front and rear lights with a Coming home and Leaving home animation		Included in Premium plus package	Included in Premium plus package	●
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side; includes heated washer jets		●	●	●
Convenience key, full keyless entry and start		●	●	●
Privacy glass – dark tinted rear and rear side windows		Included in Premium plus package	Included in Premium plus package	●
Sunroof – 2-section, panoramic, tinted glass, electrically tilting and opening with electric sun shade	3FU	\$3,550*	\$3,550*	●
Power-assisted door closure – soft-touch closing of the doors; automatically closes doors that are slightly ajar	GZ2	\$1,500*	\$1,500*	●
Roof rails in aluminium (including roof cross bars)	3S1	\$900	\$900*	\$900*
Roof rails in black (including roof cross bars; only available in combination with black exterior styling package)	3S2	\$900	\$900*	\$900*

● = Standard | * = Optional equipment, Manufacturers List Price shown | — = Not available | NCO = No cost option

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options, including LCT. Bang & Olufsen 3D Sound System – sound reproduction via 17 loudspeakers including 3D sound, centre speaker and subwoofer, 16-channel amplifier with a total output of 730 watts		Included in Premium plus package	Included in Premium plus package	●
Bang & Olufsen Advanced 3D Sound System – sound reproduction via 23 loudspeakers including 3D sound, front and rear; loudspeakers, centre speaker and subwoofer each with their own separate power amplifier and exclusive loudspeaker covers in aluminium; centre speaker and 2 automatically extending acoustic lenses on the instrument panel with a total output of 1,920 watts ⁶	8RF	\$12,100*	\$12,100*	Included in Sensory package
DAB+ Digital radio ⁷		●	●	●
Head-up display – in colour with speed, navigation and assistance information		●	●	●
MMI navigation plus⁸ with MMI touch response, acoustic and haptic feedback including:				
► High-resolution 10.1 inch colour display for infotainment system				
► High-resolution 8.6 inch colour display for climate control functions, handwriting recognition and favourites list				
► Voice control with natural speech recognition		●	●	●
► 3D map display including places of interest and city models				
► MMI search - free-text search with intelligent destination suggestions				
► Everyday speech interaction for easy operation of infotainment features				

● = Standard | * = Optional equipment, Manufacturers List Price shown | — = Not available | NCO = No cost option

* Manufacturer’s Recommended List Price (MRLP) of the factory fitted options, including LCT. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. Please enquire at your authorised Audi dealer for further details. **MRLP set out in this document are recommended prices only and there is no obligation to comply with the recommendation.**

Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

* The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsofservice for more information. Additional information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car’s unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The data connection for the Wi-Fi hotspot, use of the online radio and hybrid radio services as well as online media streaming and other services offered via an Audi smartphone app are not included. For these services, an external customer SIM card can be inserted into the external SIM card slot to establish a data connection. If an external SIM card is inserted into the card slot or connected via Remote SIM Access Profile (rSAP), all data connections, for both the Audi connect services as well as for the Wi-Fi hotspot, will be established via this external SIM card. In such cases, the costs incurred are attached to those accrued via the external SIM card. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

4 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

6 Only in combination with the Premium plus package

7 Digital radio reception coverage dependent on vehicle location.

8 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicle pictured is an SQ8 TDI quattro tiptronic with optional equipment shown.
